Expansion of Palam Airport

120. SHRI TARIQ ANWAR: Will the Minister of CIVILAVIATION be pleased to state:

(a) whether it is a fact that Palam Airport is struggling to handle the low cost airline boom;

(b) if so, the reasons therefor;

(c) whether the airport is also unable to handle the large number of passengers; and

THE MINISTER OF STATE OF THE MINISTRY OF CIVIL AVIATION (SHRI PRAFUL PATEL): (a) to (d) High growth in aircraft movements and passenger traffic and the existing infrastructural constraints at Palam Airport do sometimes lead to congestion at the airport. Airports Authority of India has taken steps for rapid exit taxi tracks, parallel taxi track to secondary runway and parking bays. Further, it has been decided to upgrade and modernise the airport through public-private partnership aiming to make it a world-class airport. Steps are being taken for higher number of aircraft movements.
